WORK EXPERIENCE

June 2022- Current

I have worked on different projects such as E-commerce, PokeApi, Rick and Morty app, Weather app, and random phrases. I have used ReactJS, javascript, HTML, CSS, and GitHub. Learning how to use hooks, Axios, APIs, Redux, Redux Thunk, tokens, local storage, and responsive web design

March 2012- October 2021

I was a manager in charge of more than 25 crew members, achieving goals as a team and working under pressure, growing up in the company while doing my studies.

ABILITIES

I stand out for my teamwork and my perseverance, I like to meet the goals set and learn from each project in order to grow up personally and professionally every day. I always try to find the best way to solve issues that we can face up at work. If you want to know more about my skills, please check my portfolio and LinkedIn.
